

**Michigan School Readiness Program
2008-2009 Competitive Continuation Application
ONLINE RESOURCES**

Two resources are available on this webpage to assist those who must complete the *MSRP 2008-2009 Competitive Continuation Application*:

1. A PowerPoint presentation that outlines the most important aspects of the application, including:
 - a. Introduction
 - b. Logging In
 - c. Initiating the Application
 - d. Designating the Proper Application
 - e. Walkthrough of the Application Menu
 - f. Budget
 - g. Program Components (Parts 1, 2, and 3)
 - h. Application Status Level
 - i. Resources
2. Each of the topics listed above is also posted on this webpage as an individual file **with voice-over**, describing the application in greater detail. You may choose either to view all of the files or just those relevant to you. These files play with Micromedia Flash Player, which is installed on most computers and is available as a free download at the following link for those who do not have it:
